Bar Operating Procedures

A typical bar operations manual should include standard operating procedures and training resources. Standard Operating Procedures for Bars (Bar SOP) Start your manual with

Page 130/160

tasks like bar opening and closing procedures, bartender duties checklist, bar cleaning process, and a bar inventory guide. Prepare this document as if it is intended for newly hired staff and use it to train them.

An inadequate operations manual is a useless operations manual.

If you've gone to all

Page 142/160

the effort of creating and implementing one, you don't want your company's operations manual to not be doing what it's supposed to.. That's why this Internal Audit Procedure for an Operations Manual

MANUALS - Bar Marketing - Bar Business

An operations manual is the backbone of your company – the encyclopedia for your business. Your employee handbook may introduce your team to your

Page 151/160

mission, various policies (benefits, holiday leave, security), and culture, but the operations manual will show them how to do their job and give them everything they need to do it.
