Berndt, Practice of Econometrics, The: Classic and ...

The presentation of econometric methods is serious but not algebraically rigorous, Students can learn a lot about economics The Practice of Econometrics: BERNDT: 9780201176285: Amazon.com: Books Skip to main content

The Practice of Econometrics: BERNDT: 9780201176285 ...

Chapter 6 presents time-series methods in the context of macroeconomic investment models. Unlike most econometric textbooks, even those with good examples, the econometrics serves the economics, as it should be in the actual practice of economic research. The reviews of economic literature are exceptionally good--in every chapter on every topic.
