10 top tips for being a successful copywriter | Guardian ...

Copywriting is salesmanship in print.

That is, instead of a salesman selling a product or service, you have words... words on a page, in an ad or email, on a billboard, and so on. Copywriters are paid to create those words. They're professional writers (in fact, they're among the highest paid writers on the planet).

How To Become A Copywriter (With NO Experience Or Portfolio)

Copywriting can be easy if you learn to analyze your audience and what they want. It's all about providing the content people need. "Shut up and listen" I totally agree with your point. Whether it's about creating a content for the product promotion or to start your writing career, you should listen, analyze and then start crafting. ~Ravi

How to Become a Truly Great Copywriter - Copyblogger

How long does it take to become a Copywriter? The question is straightforward. The answer is not. Many aspiring copywriters enter the field with a four-year Bachelor's degree in English, journalism, or a related discipline.

Others undergo no formal post-secondary education; their timelines for establishing themselves as copywriters vary dramatically.
