to each other in the third installment of the Coming Home series. As the eldest Davis, Clayton has always tried to lead by example. He takes his job as head of the family businesses seriously, making sure the farm and auto shop are running smoothly—along with keeping an eye on his brother and sister. For him, there's a time and place to let go of the control he holds with an iron grip. And with the way he grew up, coupled with disastrous end to his last relationship, he's just fine with his quiet, solitary life. Most of the time. What he hadn't counted on

him—he'll have to prove he's more than a cowboy. Warning! This slow burn has a super protective, super hot alpha male who will stop at nothing to protect his girl. This book was previously published as title Worth The Fight.

A lifetime of various employment experiences and recent travels through numerous cities in thirty-six of the forty-eight contiguous states prompted the author to summarize his reflections on the deteriorating condition of the American male, and posit suggestions of why and how

they can improve their lot.

What started as an exhibition to entertain audiences has turned into the most popular--and dangerous--event in rodeo: bull riding. When a 150-pound man attempts to ride a two-ton bull with a killer instinct, it's not a matter of whether the rider will get injured, but when, and how badly. Covers bull riding from its beginning into the new millennium.

Growing Up Cowboy

Ride 'em cowboy! That's what you'll be shouting once you've read the Cowboy Up anthology. Editor Rob Knight has gathered a great selection of cowboy stories from authors like Sean Michael, BA Tortuga and Parehlion, featuring cowboys from around the globe and across more than a hundred years. These stories all illustrate the best and worst of the breed. Stubborn, independent, and sexy as all get out, the cowboys of Cowboy Up will leave you smiling, sometimes crying, but always admiring the tough, rugged man that rides the

range and keeps his bedroll warm at night. There are modern day rodeo cowboys intent on winning the Calgary stampede and proud gauchos in Argentina. There are old west partners out to transport some dusty old bones and a mail order bride with a twist. Always unpredictable and a little wild, just like the cowboy himself, these stories will leave you wishing you had a pair of spurs and a ten gallon hat. Get yourself a cowboy today!
