Post-Cold War era is the period after the end of the Cold War. Because the Cold War was not an active war but rather a period of geopolitical tensions punctuated by proxy wars, there is disagreement on the official ending of this conflict and subsequent existence of the post-Cold War era. Some scholars claim the Cold War ended when the world’s first treaty on nuclear disarmament was signed in 1977, the end of the Soviet Union as a superpower amid the Revolutions of 1989 or when the Soviet ...
