Glenn Brown

Glenn Brown is a British artist, known for the use of art historical references in his paintings. Starting with reproductions from other artist's works, Glenn Brown transforms the appropriated image by changing its colour, position and size.

Glenn Brown

Glenn Brown CBE (born 1966 in Hexham, Northumberland) is a British artist. He is known for the use of appropriation in his paintings. Starting with reproductions from other artists' works, Glenn Brown transforms the appropriated image by changing its colour, position, orientation, height and width relationship, mood

and/or size.

Glenn Brown (artist) - Wikipedia

Biography Painter and sculptor Glenn Brown is best known for borrowing images from artists like Salvador Dal í , Frank Auerbach, and Rembrandt, as well as by the largely unknown graphic artists of mass-market science fiction paperbacks, and creating wild embellishments and transforming the familiar into the alien.

Glenn Brown - 66 Artworks, Bio & Shows on Artsy

Glenn Brown is a contemporary British painter. A member of the Young British Artists, Brown is known for his appropriation of widely recognized artworks which he distorts through his uniquely

Mannerist and turbulent, impasto-like brushstrokes. His final images are high-contrast, grotesquely stretched, and often reminiscent of rotting flesh.

Property Management Brown & Glenn Realty specializes in the management of residential real estate. Our company has been a leader in Charlotte area property management for close to 90 years.

Brown & Glenn Property Management & Real Estate ...

Brown uses thin brushes with which he produces particularly elongated curls and twists. The resulting flatness of the image alludes to the origin of the chosen image in its photographic or digital form.

Glenn Brown: Technique and Style

Glenn Brown or How Old Becomes New Influenced by French Post-Structuralist philosophy, Brown thinks that rich knowledge when observing a work of art can prevent the viewer from understanding and feeling the emotional content. His specific technique liberates from classical linear form and static state, transforming artwork into an evolving entity.

Glenn Brown | Widewalls

Brown made a series of controversial paintings during the 1990s and early 2000s based on retro science fiction illustrations by Chris Foss, John Martin, and Antony Roberts. The original 1970s images were small in scale; designed to illustrate book covers.
