Hotel Maintenance and Engineering, F6181 This quarterly,

legal-sized playbook provides 2 pages per day and is designed

specifically for hotel operations. Keep your hotel running like

a well-oiled machine. Encourage acting in a guest-first way.

Record and track items that need regular inspection or

immediate attention from engineering professionals.

Maintenance & Engineering

Generally, hotels are complex and costly when it comes to maintenance with various uses of spaces that have different schedules and uses for guest rooms” restaurants, health club, swimming pool, retail store and each has a functional engineering system required for its maintenance.

HOTEL MAINTENANCE MANAGEMENT

I wish I would have found this years ago! I recently got the EZ Battery Reconditioning program and just reconditioned two car batteries. The guides were very easy to follow.

Guest room preventative maintenance checklist

The tasks that we performs daily across all departments are often repetitive. Checklists provide reminders of the most critical steps to completing any task, to ensure no detail falls through the cracks.” Noah Lemaich Director of Brand Standards, SIXTY Hotels

Managing hotel maintenance is complex. ALICE makes it easy.

A hotel checklist is a tool used by the hospitality industry to inspect and improve the quality of hotel amenities and services. Perform daily inspections and keep hotel staff on track with the list of duties for each room and area of the establishment. Review if all procedures have been performed properly with the aid of a hotel checklist.
