Inequality Reexamined by Amartya Sen - Goodreads

An Analysis of Amartya Sen's Inequality Re-Examined - 1st ...

Professor Sen revisits the issues tackled in his previous work, **On Economic Inequality**, and provides new analyses and insights in this crucial area. The book brings together and develops some of the most important themes of Sen's work over the last decade. Its main single theme is that we should be concerned with people's capabilities rather than either their resources or their welfare.

Inequality Reexamined Amartya Sen

Inequality Reexamined is a 1992 book by the economist Amartya Sen.In the book Sen evaluates the different perspectives of the general notion of inequality, focusing mainly on his well-known capability approach.The author argues that inequality is a central notion to every social theory that has stood on time. For only if this basic feature is satisfied can a social theory which advocates a set ...

Inequality Reexamined - Wikipedia

Amartya Sen revisits the issues tackled in his previous seminal work, ‘On Economic Inequality’, first published in 1973 and expanded in 1997, and provides new analyses and insights in this crucial area. The book brings together and develops some of the most important themes of Sen's work over the last decade. He notes that the difference between virtually all contemporary ethical ...

Inequality Reexamined - Oxford Scholarship

This book brings together and develops some of the most important economic, social, and ethical ideas Sen has explored over the last two decades. It examines the claims of equality in social arrangements, stressing that we should be concerned with people's capabilities rather than either their resources or their welfare. Sen also looks at some types of inequality that have been less ...

Amartya Sen's Inequality Reexamined rejects both, arguing instead that people ought to face equally desirable3 life prospects=equal capability forfunctioning, to use his official terminology. Given the diversity of abilities, equally desir=able life prospects will require unequal means; given differences in

Inequality Reexamined. AMARTYA SEN. Cambridge: Harvard ...

Book Description. Amartya Sen's Inequality Re-Examined is a seminal text setting out a theory to evaluate social arrangements and inequality. By asking the question, 'equality of what?', Sen shows that (in)equality should be assessed as human freedom; for people to have the ability to pursue and achieve goals they value or have reason to value.
