In the war against vampires, mankind
has only one hope: The Dark-Hunters.

Page 1/148

invincible-chronicles-nick-sherrilyn-kenyon-macmillan

Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it

Page 2/148

comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Until Kyrian meets the most frightening thing imaginable. An accountant who's being hunted by one of the most lethal

vampires out there. If Amanda Devereaux goes down, so does he and no offense, he doesn't want to die (hence the whole immortality thing). And he doesn't want humanity dead either which is a good thing for us since he and Amanda are all that stands

between us and oblivion. Let's hope they win. From the wild imagination of Sherrilyn Kenyon comes the humorous and suspenseful manga debut of the #1 internationally bestselling Dark-Hunter series. The world of manga will never be the same again.

At fourteen, Nick Gautier thinks he knows everything about the world around him. Streetwise,

Page 12/148

tough, and savvy, his quick sarcasm is the stuff of legends. . .until the night when his best friends try to kill him. Saved by a mysterious warrior who has more fighting skills than Chuck Norris, the teenaged Nick is sucked into

Nick quickly learns that the

Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the

I fail to find the answers I need to

You just might get it. Nick Gautier is tired of his destiny. He doesn't want to be the son of a demon who's fated to end the world. Nor does he want to see another demon or other preternatural creature who
