Used EV guide: how to buy a second-hand electric car
However, others will choose a used car as there's often more flexibility in the used car market and second-hand motors generally represent better value for money. Should I pay cash for a used car? If the car in question is less than £500, cash might be a preferable payment method, but for larger amounts you may wish to agree on a payment method with the seller beforehand.
Buyers of older cars tend to fall into two kinds: those looking for a specific make

and model at a particular price, and those who care only that the car is suitable and the right price. If you...
