How to demilitarize America's presence in the Middle East

Order from Chaos In an era of partisan rancor, Republicans and Democrats seem to agree on overall defense policy. Michael E. O'Hanlon. Thursday, February 20, 2020.

There's the illusion of order. Chaos by its nature is random. No order. However after some time, averages appear. They look like order, but they're not, really. If there were no averages and all the turbulence were perfectly equally distributed, that would be its own form of order. It's confusing.

New Moon In Virgo—Order In Chaos? Chaos In Order

Order in Chaos begins just prior to Friday the thirteenth of October 1307, the original Day of Infamy that marked the abrupt end of the Order of the Templars. On that day, without warning, King Phil. The third novel in the thrilling historical trilogy about the rise and fall of the powerful and mysterious Templars, from the author of the immensely popular Camulod Chronicles.
