***Do you practice garage theology? Garage theology is common in today's churches. Some practice it without knowing what it is. A simple definition would be "going to church makes someone a Christian." This is no more logical than believing going into a garage will make someone a Cadillac. This delusional premise is convincingly debunked within this book. The lone traveler is perplexed. Why is he alone so much of the time while such crowds pack the city? Why is the wilderness the way to know God? Here is a classic retelling of the quest of all humanity-to understand the mystery of life. Our unidentified traveler has bouts of certainty interspersed with doubts. The hardships are real; the goal is eternal. He is faced with tests. He is deceived, but he recovers. He struggles to maintain the main thing as the main thing. As a journey of adventure, surprise, hardship, and ultimate triumph, it is an accurate picture of life in the spirit. Finally, the reader is confronted with the question: What is revival? Two options are presented. Which is reality? A time will come when instead of shepherds feeding the sheep, the church will have clowns entertaining the goats. -Charles H. Spurgeon 25***

***In the Holy Scriptures spiritual life is often pictured as a spiritual journey. In reviewing Watchman Nee's life we can easily notice four distinct stages in his spiritual journey. The first stage covers the years from 1920 to 1928: from his regeneration to his basic spiritual training. The second stage comprises the years from 1928 to 1942: the period from the expansion of the work to his withdrawal from ministry. The third stage encompasses the years from 1942 to 1952: that is, from brother Nee's withdrawal from ministry to his captivity by the Chinese Communists. The final stage covers the years from 1952 to 1972: from his arrest and imprisonment to his death. All four stages are clearly reflected in either brother Nee's writings or his spoken ministry. A must for Chambers aficionados - the complete Oswald Chambers library. Transcribed by his wife Bidy, and drawn from his numerous sermons, lectures, and speeches, this monumental book includes more than forty titles from the popular, thought-provoking chaplain, including never-before published notes on Ezekiel, Isaiah, and Jeremiah. Published in a handsome hardbound volume, The Complete Works of Oswald Chambers is packaged with a companion searchable CD-ROM using the Logos software.***

***With simplicity and grace, these pages illuminate for you the wisdom in Saint Thérèse's Little Way, showing how it can enable you, too, to abide in the serenity of the children of God. Led here by the wise Father Joël Guibert, you'll soon come to realize how easy—and how good—it is to surrender yourself to God's providence (as Thérèse did): in your prayers, in your dealings with others, in your concerns about your loved ones, in your sufferings, and yes, even in your joys. Saint Thérèse's way of abandonment lightens every burden of day-to-day life. Lighten your own burdens by learning from Father Guibert how to make it your way, placing every worldly care confidently in the hands of the Almighty. You'll grow quickly closer to God and, even in life's darkest moments, come to share in the peace and joy He promises. In these pages, you'll learn from Saint Thérèse: —How to trust God despite evils that beset you —How to overcome your fear of abandoning yourself —How to abandon yourself to God fully, without holding anything back —How abandonment to God will diminish your sufferings —How even your weaknesses can benefit you —What to expect when you abandon yourself to God —And much more!***

***Amy Carmichael was the eldest daughter of a large Christ-centered family in Millisle, Ireland. She was impressed at an early age that "nothing is important but that which is eternal." This understanding proved to be a foundation for her service to the Lord among the mill workers of Ireland, the Japanese briefly, and then India where she began her ministry to children in 1895 and where she remained until her death in 1951.***

***Spend 31 days in God's loving arms and you'll discover the secret to contentment in life. Deep within, many of us sense a longing for fulfillment - a hunger that cries out to be***

satisfied. Wonderfully, God in His infinite love can satisfy this passionately felt need. Better still, He will - as we let Him. For when we seek to pursue Him first of all, writes author Ruth Myers, our satisfaction with life, ourselves, and our Creator truly is guaranteed. Drawing upon her own deeply personal experience with a God who desires to be intimately acquainted with every area of His children's lives, Ruth Myers paints a dramatic picture of a loving Father who gives us all we need to be satisfied - no matter how severe our struggles, failings, and disappointments. Myers explains, "The heart that has tasted of God's love will always turn back to Him with longing and say, 'Only Your love can meet my deepest needs.'" In *The Satisfied Heart*, readers will learn how to enter into a deeper, more complete, and thoroughly fulfilling contentment with God - as well as a true delight in all that life brings.

**Oswald Chambers reveals the psychological processes in the Bible, framing his commentary through the Biblical concept of the soul, man, and the divine. A thorough examination of the Bible's way of thinking, this book highlights the wisdom of the holy Bible and its value in revealing the workings of the human mind. With relevant quotation of the scriptures, Oswald Chambers demonstrates how the Bible's teachings and recounting of events such as the life of Christ demonstrate and reflect upon human psychology. The author eloquently establishes the connection between the spiritual essence of the human soul, with our physical form, and finally the mind. The relationship of these three constituents of the human being, and its expression upon the pages of scripture, form the central pillar of this instructional text. As a teacher and evangelist, the writer's capacity to educate and explain is in the fullest evidence upon these pages.**

**Much has been written about the Sermon on the Mount, but Oswald Chambers' unique way of explaining these teachings will give us eyes to see so much more than just rules or ideas or goals. Chambers ushers us into the mind-set that our relationship with God comes first, and then Christlike character and desires will follow. Through this book, you can better understand Jesus' teachings on how to honor Him and what "living" really means.**

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Would you know if he did, if God really spoke to you- would it be booming from the heavens or just in your head? If it was in your head, how would you know if it was speaking right now but we're just not listening? And if God does tell you something...what would you do about it? Meet Parrish. He's a regular guy, owns a coffee shop, shooting the breeze with his buddies at the neighborhood Chinese buffet, talking about the dents in golf balls and such, when the discussion develops into a debate or speaks to people. When his friends skip out and he is left alone, Parrish tells God he's "all in." Ready to listen, do what he's told, and see what happens. Only moments later he opens his fortune cookie to find a surprise -- instead of a proverbial statement, he reads a directive from God. "Take the corner." God, via cookie, sends him on this absurd adventure. His quest sends him to the corner bus stop, where he finds a dropped and forgotten letter, written in a desperate tone, to help those God brings across. Parrish befriends Audra, a nursing student who rides the bus home. And together they begin to follow the god cookie message, pursuing the random threads of the experience together and discovering more about themselves than either ever imagined possible.

Jesus Wants All of Me

The Way of Peace of St. Therese of Lisieux

A Daily Devotional

This Personal Application Workbook is designed to help you apply the Scriptural principles presented in the *Faith in the Night Seasons* textbook. The goal and purpose of "conformed into the image of Christ." A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we need that He might strengthen our faith and we might come to know Him in His fullness.

*Prayer: A Holy Occupation* is a treasury of all that Oswald Chambers wrote about this vital spiritual discipline. Chambers' chief objective in prayer was to know Jesus, to get himself aligned with it.

Originally published as *If Ye Shall Ask*, this small book on prayer comprises lectures Chambers gave at the Bible Training College in London where he focused on all aspects of prayer's simplicity to intercessory prayer for others. He believed that prayer changes the one praying as much as prayer moves the hand of God. The foreword introduced of keen insight who, regardless of who he was with or what they were doing, without warning would say, Off with your hats, it is good to pray everywhere, followed by a spiritual realist who believed prayer enabled God to perform His order through those who pray, even though he didn't consider prayer a natural function of the world. He knew prayer was a way of getting to know God that would develop the life of God in those who prayed. This powerful book on prayer, filled with wisdom and keen insight, will slowly and return to time and time again. Written by a devout man of God who shows us what we are missing when we don't have the life of God in us. There aren't enough words worth, whether five, ten, fifty or a hundred. Cited from review by Gail Welborn, Seattle Christian Book Review Examiner.

This is the true love story of Joni and her husband of 30 years, Ken Tada. A love story showing what it truly means for a man and a woman to live in love ... in sickness and in health. Their honeymoon wasn't easy. Did Ken realize what he was getting into when he proposed to Joni, a quadriplegic woman? As their marriage years moved on, Ken became increasingly overwhelmed by the never-ceasing demands of caring for Joni, who begins to experience chronic, extreme, nightmarish pain. Ken sinks into depression, and the couple finds themselves married and living under the same roof but drifting apart emotionally. But as they fight for their marriage and find their way through the mazes of depression and pain, they find their way around their rock—Jesus. During Ken's denial of Joni's diagnosis, and Joni's thoughts of how wonderful a quick exit to heaven would be, they experience a personal visitation that they will never forget.
