Palaeopathology  
Of Aboriginal  
Australians Health

*Page 6/93*

While their health has suffered enormously because of the arrival of the Europeans, it is assumed that Aboriginal people enjoyed good health before 1788. Using data collected from all

parts of the  
continent, this  
1995 book studies  
the health of  
Australia's original  
inhabitants over  
50,000 years. It  
represents the first  
continental survey  
of its kind and is  
the first to quantify  
and describe ...
