Common Entrance at 13+ - ISEB

The Science ISEB Revision Guide is essential reading for pupils working towards Science Common Entrance or entrance exams at 13+ as it consolidates all the material that pupils need to know at this level. The material required for the 11+ exam is also covered in separate, clearly marked sections.

Science ISEB Revision Guide By Richard Balding | Used ...

The test is adaptive, the questions will get harder if the student continually answers correctly, and easier if they do not. There are no practice tests available but there is a familiarisation test and during the actual test example questions will be shown. All questions are compulsory and they cannot go back once a question has been answered.
