

Shatter The Bones Logan Mcrae 7 Srt Macbride

Shatter the Bones is the seventh Logan McRae book and is in my opinion the best of the series so far. MacBride has a wonderful talent in not just building up his main detective but in building up the entire station he works in. McBride has managed to make Steel (Logan's boss) and several other members of the book be just as important and just as good a character as Logan and the books are the better for it.
