### **The Advantage (Book Summary)**

Home > Book Summary – The Advantage: Why Organizational Health Trumps Everything Else In Business. Organizational health refers to how well an institution's components (e.g. strategy, culture, management, operations) fit together so it can function consistently as a whole.

Keller & Price define organizational health as "the ability of an organization to align, execute, and renew itself faster than the competition to sustain exceptional performance over time". These are not hippy new-age management philosophies. Their research shows that half of a company's long-term financial success is driven by its health.

The Advantage : why organizational health trumps everything else in business Patrick Lencioni "There is a competitive advantage out there, arguably more powerful than any other.
