

The World Without Us

In "The World Without Us," Alan Weisman offers an utterly original approach to questions of humanity's impact on the planet: he asks us to envision our Earth, without us. In this far-reaching narrative, Weisman explains how our massive infrastructure would collapse and finally vanish without human presence; which everyday items may become immortalized as fossils; how copper pipes and wiring would be crushed into mere seams of reddish rock; why some of our earliest buildings might be the last ...

The World Without Us

The World Without Us begins exactly as you might imagine, with a detailed account of how the most visible of humanity 's imprints upon the world will degrade and return to nature over time. Alan Weisman vividly depicts a world where steel rebar in reinforced concrete rusts and beams crumble, wood decays, glass shatters, and skyscrapers topple.

The World Without Us: Amazon.co.uk: Weisman, Alan ...

The World Without Us by Alan Weisman is a penetrating, page-turning, exploration of how our planet would respond without the relentless pressure of the human presence.

The World Without Us - Alan Weisman

The World Without Us is a 2007 non-fiction book about what would happen to the natural and built environment if humans suddenly disappeared, written by American journalist Alan Weisman and published by St. Martin's Thomas Dunne Books. It is a book-length expansion of Weisman's own February 2005 Discover article "Earth Without People".

The World Without Us - Wikipedia

In The World Without Us, Alan Weisman attempts to answer the question of what would happen to the earth if, for whatever reason, humans were to completely disappear tomorrow. While it ' s a fascinating premise, one that Weisman undoubtedly put a lot of time and effort into, the execution falters.

The World Without Us by Alan Weisman - Goodreads

To find an answer to this question, director and producer Mitch Anderson embarked on an investigative trip on four continents. "The World Without US" is an in-depth investigation of how US foreign policy affects the lives of millions of people around the world. Written by Mitch Anderson
Studios Plot Summary | Add Synopsis

The World Without US (Video 2008) - IMDb
"The World Without Us", as in the world once we are gone or as in the world that isn't within us? Either interpretation would work for this soul-searching novel about loss and connection. Each of the main characters is dealing with a major loss.

The World Without Us by Mireille Juchau - Goodreads

The World Without Us If a virulent virus—or even the Rapture—depopulated Earth overnight, how long before all trace of humankind vanished? That's the provocative, and occasionally puckish, question posed by Weisman (An Echo in My Blood) in this imaginative hybrid of solid science reporting and morbid speculation.

The World Without Us: Weisman, Alan:

9780312427900: Amazon ...

This beautiful Earth, thriving without us – though for ages to come having to somehow cope with plastics, chemicals, etc. The writing is clear, calm, and elegant, and you can feel the peace in it all – the cessation of noise. It is a bit like meditation – what is there when there is no mind. The thesis is sad, but somehow poetic.

The World Without Us | Osho News

The World Without Us is a one-of-a-kind book that sweeps through time from the moment of humanity ' s future extinction to millions of years into the future. Drawing on interviews with experts and on real examples of places in the world that have already been abandoned by humans—Chernobyl, the Korean DMZ and an ancient Polish forest—Weisman shows both the shocking impact we ' ve had on our planet and how impermanent our footprint actually is.
